Just a short note to say "thank you" for all the help and guidance with our signage needs of our Multicultural Festival.

We believe that over 6,000 people attended this inaugural three day event.

It was definitely a success because of the community network and relationships that developed in the planning and the hosting of this event.

All of the three cultural communities have all stated that they want to host this event next year. We learned a great deal which we will take forward as we begin to plan for the next one.

On behalf of Saanich and the members of the Chinese, Greek and Portuguese Communities, please accept our sincere appreciation.

Sincerely,

Tom Bryce
Manager, Saanich Commonwealth Place

I work for a US-based company that was exhibiting at a trade show in Canada. As sometimes happens, my freight did not arrive as expected. I needed a large format printer that could, late on a Friday afternoon, output our graphics, provide a backing material, and assure delivery on the same day in order to meet a Sunday installation deadline.

My experience with MiniMax Media was exceptional. Every promise that was made to me was kept. The follow up that I didn't expect was done. From start to finish, MiniMax Media was a pleasure to work with.

On behalf of the of the Do-Re-Mi Golf Committee and everyone at the Victoria Conservatory of Music, we would like to express our sincere gratitude to you and your colleagues for your generous support of the 11th Annual Do-Re-Mi Golf Tournament, May 27, 2005. Your contribution was greatly appreciated; we would have not achieved the level of success without MiniMax Media as the official supplier of the Hole Sponsor signs.

The signs were stunning and added a look of professionalism to the tournament and the sponsors were very pleased. The set-up and take down were efficient and trouble-free and helped make this very successful tournament run even more smoothly.

Again thank you so much for all your support, we look forward to our continued relationship and would not hesitate to use MiniMax Media in the future.

Yours Sincerely,

Sandy A.J. Henderson
Director of Fundraising

P.S. Please convey my thanks to all. Your service was exemplary

The commitment you showed is something we will always remember and hold dearly to our heart. You worked on very tight deadlines and yet you were able to deliver. You showed cooperation and commitment. VIRCS is so fortunate that you chose to work with us. A quick note to let you know we appreciate the work you do for us. The decals on our trailers are great, very eye-catching without being gaudy. We are purchasing another truck this week which will need signage, so expect a call! Thanks also for the quick service and excellent suggestions on our parking lot signs, and the replacement signs when our truck was damaged. You folks were very accommodating in scheduling and performing the work so our vehicle was out of commission for only a brief time. I really feel that we get the "straight goods" from you when we ask for information, your quotes have always been competitive, and the quality of the work is great. Keep up the good work, it's appreciated.
